“I am an insightful intellectual property and business attorney who provides strategic counsel and robust representation to protect my clients' valuable assets and enforce their rights.”

Caleb Green is a seasoned attorney specializing in Intellectual Property, Business Law, and Technology. He brings a unique blend of legal expertise and technical acumen to his practice, holding a degree in Computer Science and leveraging his background in information technology to provide comprehensive counsel to clients. Caleb's primary areas of practice encompass intellectual property litigation and enforcement, trademark prosecution and management, business litigation and transactions, data privacy and security, and sports & entertainment law. His experience includes advising clients on corporate due diligence, navigating complex intellectual property disputes, and ensuring data protection compliance. With a keen understanding of the complexities of intellectual property law and a strong foundation in general business litigation, Caleb is dedicated to helping businesses understand the intersection of law and technology, providing strategic solutions to protect their innovations and achieve their business objectives worldwide.
